**EN** VELIT is characterized by a responsible production that guarantees its customers a responsible purchase. Being **sustainable** is a philosophy of life and a priority for VELIT. Our furniture collections invite you to enjoy life outdoors and of nature and its objective is to do it with designs, materials and production processes that **respect the environment** that surrounds us in all the materials used. With a growing environmental awareness worldwide, we are making a constant effort to change and reduce their environmental impact. How can furniture make a sustainable difference? The importance at conception A **sustainable** approach starts at the very beginning of a product's creation – in the design process. A simple design that uses few, but durable, high-quality materials and requires less energy to produce helps lay the foundations for a sustainable product. A product that is designed to last and that can be re-used, **recycled or upcycled** is more sustainable and **reduce** waste.

**ZN** VELIT的特点是负责任的生产, 保证其客户放心的购买。可持续发展是一种生活理念, 也是VELIT的首要任务。我们的家具系列邀请您享受户外和大自然的生活, 其目的是通过设计、材料和生产过程来做到这一点。这些设计、材料和生产过程在所有使用的材料中都尊重我们周围的环境。随着全球环境意识的增强, 我们一直在努力改变和减少其对环境的影响。家具如何带来可持续的变化? 可持续的方法始于产品创建的最初阶段设计过程。简单的设计使用了很少但耐用的优质材料, 并且生产所需的能源更少。这为可持续产品奠定了基础。一种经久耐用且可以重复使用、回收或升级的产品将更具可持续性并减少浪费。

**EN** This contemporary collection encapsulates the art of mediterranean living in its timeless essence. Its aluminum structure with a powder-coated finish merges with teak wood arms and plush cushions, achieving a harmony of comfort and style.

Comprising an armchair, a double sofa, and a triple sofa, this line reflects classic elegance and allows for cushion customization in patterns and colors. Complementing the ensemble, center tables and lamps are included. In summary, the collection embodies the union of sun and earth in an expression of relaxed luxury and mediterranean elegance.

**EN** A versatile, light and full of color collection. Malta does not neglect comfort, thanks to its upholstered seat it guarantees user comfort. It also has a braided back with straps, which give it a modern and sophisticated look. It is a complete collection that has seats and tables. The tabletops are very interesting at a compositional level, since thanks to their partition in the central part they allow different grains to be combined and the process to be optimized.

**ZH** Malta是轻盈且色彩丰富的系列。它不会忽视舒适性, 这要归功于其软垫座椅, 它保证了用户的舒适。Malta系列给铝制架子配上了中国传统的编织工艺, 精致优雅, 配上大气阳光的垫子, 仿佛这就是人生最绚烂的时刻。
